

Haute Design Experts Reveal Favorite Space to Design in a Home

SHARE THIS POST!

March 17, 2023 by Haute Residence

While every good design project ought to have a cohesive overarching theme, that doesn't mean certain rooms or spaces can't stand out to the homeowner or designer.

So, what rooms offer our Haute Design Experts a bit more fun or creative reign when tackling new design projects?

Ryan Hughes Design Build

For Ryan Hughes, the "Outdoor Room" is always his favorite room to design. Defined through elevations to structures, surfaces to furniture placement, modern outdoor rooms, like this in the Lakeview project, incorporate true design sensibilities and functionality upon a canvas for which the sky is literally the limit.
